

## Vision

The Canadian Sport Institute Ontario is a recognized world leader in the delivery of applied sport science, sport medicine, athlete/coach and staff development, resulting in more Canadian athletes on the international podium.

## Mission

The Canadian Sport Institute Ontario is committed to the pursuit of excellence by providing world-class programs, staff, services, and leadership to high performance athletes and coaches to enhance their ability to achieve international podium performances.

## Organizational Goals

**Increase Ontario medal count at Olympic, Paralympic Games and World Championships.**

**Achieve world class Sport Science and Medicine services.**

**Deliver world class high performance development pathway support.**

## Strategies

- Deliver tailored, high quality and holistic Sport Medicine and Sport Science (SSSM) Services through Integrated Support Teams (ISTs)
- Create Sport Agreements with nimble tailored solutions
- Prioritize service delivery and assist in planning to CSIO Core sports
- Conduct environmental scanning and implementation of cutting edge Research & Innovation
- Enhance environment of national training centres to sustain and or increase number of centres in Ontario

- Recruit and retain world-class Sport Science and Sport Medicine (SSSM) practitioners
- Implement a career development pathway for world-class practitioners
- Partner with UTSC and UHN to create and sustain a Sport Medicine clinic at TPASC that provides priority access for High Performance (HP) athletes.
- Collaborate with National Sport Organizations (NSOs) to adopt world-class SSSM evidence-based practices
- Host & participate in domestic & international conferences

- Collaborate with sports (NSOs and PSOs) to ensure an aligned pathway
- Deliver Ontario High Performance Sport Initiative (OHPSI)
- Deliver Coach & Technical Leader Professional Development (PD) and educational opportunities
- Advocate for multi-year funding commitment from funding partners
